While we are still limited to our 2 visitors inside at a time, more family is welcome to walk with us outside. Come out for a celebration of fun!

### Family Fun Day

This year we will once again be holding our annual Family Fun Day! This year's event will be held on **July 30<sup>th</sup>, here at the facility, from 4:00pm-6:00pm**. Entertainment will include games and a bounce house for the kids, a cookout, and live music!

### Visitations

We are so excited to welcome everyone back into the facility! Although appointments are not required, it is highly encouraged to make an appointment or to call before arriving to make your visit go as smoothly as possible. Outdoor/courtyard visits are also highly encouraged as we ask everyone to social distance from other residents while you are inside the facility. We also suggest that families take their resident on outings! For more information or to schedule an appointment please contact the office.

### Raffle for Reviews

Want a chance to win a fabulous gift basket? Leave us a Google review! Anyone who leaves a Google review will be entered into a raffle for the opportunity to win a fabulous prize basket. ### Facility Updates

In the next coming months, you are going to see some BIG changes to our building! While the end result will be more than worth it, we all need to work together to make our renovations go as smoothly as possible. As part of our updates, resident rooms are going to get a makeover! This means that momentarily, your family member may be relocated to a different room. To aid in this process, we ask that during your visits, if you're able to go through your resident's belongings with them. If able, please take home any non-essential items until their room is complete! Thank you for your patience and cooperation, please call the office with any questions.

### Food Items

As it gets warmer, we ask that you limit the number of food items you bring in / send to your resident. This is to limit the amount of excess food in rooms and making sure our resident's areas stay clean. Thank you for your understanding, contact the office with any questions.
