JULY 2021

COVID-19 UPDATE

A message to our friends and families

We are continuing with in person visits!

We do also encourage outdoor visits as the weather is beginning to feel like summer!

We will be continuing to complete weekly testing of our staff who has not been vaccinated. However, in the event of a positive case, we will have to discontinue in person visits until all tests have been negative for 2 weeks. We apologize for any inconvenience this may cause.

We will also continue to have Skype, Facetime, Window, & Outdoor visits for anyone who is not comfortable coming into the facility.

Please contact Matt in activities Monday—Friday 8:00am-4:00pm to schedule an appointment.
